Our top products, Audatex Estimating, AutoFocus, and GoTime Repair, are now listed front and center. Click any one of the Product Buttons or select from the 'Additional Products' list below and you'll be taken to our Global Search Page. For a Complete list click on 'more...' to access our Product Catalog.

The 'Announcements' section is where you will continue to find information we feel you should know immediately. We've added 'What's New?' for our release notes and 'Popular Topics' for our most popular Documents and Videos.

We've moved the 'Site Search' box to the top of the page and the links to 'My Report' and 'Sign Out' can be found from the drop-down arrow next to your name.
